Wirral GPCC Patient Council Update

HR stated that she was unable to attend the meeting on the 22/7/14; however CD did attend and went through some of the points raised but we did not cover them in detail as there was nothing particularly new to discuss, so it was agreed to wait for the minutes from the meeting on the 22/7 to arrive and they can be discussed next time.

The next patient council meeting is on Tuesday 23rd September 2014.

Minutes of previous meeting

SB went through and updated those present on any outstanding issues raised from the last meeting.

GP's - SB stated that once Dr Furlong returns from maternity leave in September the use of locums would be greatly reduced. SB also stated that Dr Bailey had finished his 12 months registrar training with us and had decided to do some locum work for a while before he settled within a practice.

New members – it was discussed about the PPG group having a table in reception and to talk to patients about what we do and to see if we can create a bigger virtual group. This was discussed further and what questions we could ask patients. SB to discuss dates available in October with HR, CD and GJ.

AOB –

Nothing was raised at the meeting.

Date for Next Meeting
